

Global Community at Cambrian Heights

Become a part of Global Community Night at the Cambrian Heights Community Association and enjoy **FREE HALL RENTAL**

The Cambrian Heights Community Association is looking to invite charitable and non-profit organizations to hold public events at their hall on the second Saturday of every month. Organizations will be able to use the hall facilities to hold public awareness or fund-raising events free of charge as a way of building community.

Your organization will receive:

- Free use of our 3500 square foot non-smoking banquet facility, including kitchen, tables and chairs with capacity for 150 people.
- Free advertising on our hall-front sign.
- Free advertising in our monthly newsletter.

Organizations will be asked to provide a \$375 fully-refundable damage deposit, and sign our hall-rental contract. All events will need to be pre-approved by the Cambrian Heights Community Association Board of Directors prior to the event.

Please provide the following information:

- Name of your organization.
- Goals and mission statement.
- Brief history of your organization.
- Description of your event.
- Ways in which CHCA members could get value for their community membership (discounted fees, entry for draws, etc.)

Global Community Night begins this September, so submit your proposal soon!

Proposals can be sent to:
